

First Round games are against the spread and determine who gets a bonus square for Finals. Odd will be emailed for 1st Rd. Square Grid below is used for Round of 32 thru the Finals. Higher seed is across the top and Lower seed is on the side. Example: #4 vs. #10, #4 would be home team and across the top with #10 as visitor & on the side. The rollover squares are replaced with winners of the select 20 first round games for the final game only. All other squares and numbers are unchanged.

Round of 32 = \$6
 Sweet 16 = \$12
